facials

Express Prescriptive Facial £25 (30 Mins)
This express facial will give your skin the quick uplift and glow it needs. Your skin will be cleansed, toned, exfoliated, a mask will be applied followed by moisturiser and serums. All products will be suited to your unique skin.

Luxury Prescriptive Facial £45 (45 Mins)
Your skin will be deeply cleansed, toned and exfoliated. A mask will be applied and while the mask works its magic, you can enjoy a neck and shoulder massage. The facial is then finished with the appropriate serums and moisturisers.

Teen Clean Facial £25 (30 Mins)
This teen clean facial offers a natural, no fuss solution to balance and maintain skin during teenage years. it includes a deep cleanse using facial brush, extraction of congestion, followed by a deep purifying mask to absorb excess skin oils, finished with the appropriate serums and moisturisers.

Microdermabrasion £45 (45 mins)
Using a mechanical exfoliation machine to buff away dead skin cells, this treatment is great for clearing pores, acne scarring, discolouration and fine lines and wrinkles.

Dermaplaning £48 (45 mins)
Using a sharp, sterile blade for a deep exfoliation and removal of the dead skin cell build up and vellus hair (peach fuzz) This treatment will promote smoother skin and leave you with a glowing complexion.

Chemical Skin Peels £60 (45 Mins)
Chemical skin peels can target specific skin problems such as age spots, acne and dull skin. The facial involves a double cleanse, a non-invasive 'instant' enzymatic peeling gel that visibly removes dead skin cells, application of the chemical peel which we think will be most beneficial to your skin (Glow AHA peel for pigmentation, age spots and dull skin. Pure BHA peel for oily, sensitive or acne prone skin. Refresh AHA peel for ageing, sun damage, fine lines and skin laxity.) Followed by a mask and finished with the appropriate serums and moisturiser.

Microneedling £70 (45 mins)
Microneedling procedure involves the use of tiny sterile needles over the skin which make precise, microscopic punctures in the skin helping to stimulate the skin to repair itself naturally through a process called dermal remodeling. Great treatment for acne scarring, enlarged pores, wrinkles, skin texture.

Facial courses
Microneedling (course of 3 treatments) £190
Dermaplaning (course of 3 treatments) £130
